## LOGISTICS ADVANTAGES:

### INTERNATIONAL TRANSPORT CORRIDORS

**Kazakhstan is a key transit hub of Eurasia.**

Major routes:

- Western Europe – Western China
- Tashkent – Khorgos
- Shymkent – Samara
- Astana – Yekaterinburg
- Omsk – Maikapshagai
- Almaty – Petropavlovsk
- Astrakhan – Turkmenistan border

### MODERN LOGISTICS HUBS AND WAREHOUSES

- stable cold chain
- storage and sorting of products
- accelerated distribution across regions and export destinations

### MULTI-DIRECTIONAL TRADE ROUTES

The country connects Europe, the Caucasus, China, and the Persian Gulf, and has access to Caspian Sea ports: Aktau and Kuryk

### INTEGRATION INTO INTERNATIONAL UNIONS (EAEU)

Trade advantages:

- reduced customs barriers
- faster clearance procedures
- free movement of goods within the union

### GOVERNMENT SUPPORT FOR AGRICULTURE AND LOGISTICS

Modernization programs stimulate:

- development of food processing
- infrastructure improvement
- growth of export potential for food products
