BUSINESS PROGRAMME

17 September

17 September		17 September	
MAIN CONFERENCE HALL Pavilion 9, 2nd Floor, 9-5/1		SEMINARS ROOM Main Entrance, Pavilion 11, 11-159	
<i>*speech in the Conference Programme as agreed with the Organizing Committee</i>			
11.00-12.30	<p style="text-align: center;">Plenary Session</p> <p style="text-align: center;">ESG initiatives in Kazakhstan's MMCs: overcoming challenges and exploring new opportunities</p> <p>Moderator: Askar Kukeyev – Metals & Mining Leader, Senior manager Strategy& PwC</p> <p>Confirmed Speakers: Turar Zholmagambetov – Deputy Chairman of the Industrial Development Committee of Industry of the Ministry of Industry and Construction of the Republic of Kazakhstan</p>	11.00-12.00	<p>ProLabSupport Seminar</p> <p>Alexander Komelkov – MSc, Application Specialist XRF, Malvern Panalytical (UK)</p> <p><i>Speech topic: Modern capabilities of X-ray spectral analysis on the example of analysis of sulphide ores and concentrates. X-ray spectral analysis in geology, ore dressing and metallurgy</i></p>
		12.00-13.00	<p>RIVS Group Company Seminar</p> <p>Alexey Sedov - Deputy General Director for Production Automation</p> <p><i>Speech topic: Analytical Equipment by RIVS for Modern Mineral Processing Production</i></p>

	<p>Yerbolat Kozhikov – Chairman of the Committee for Environmental Regulation and Control of the Ministry of Ecology, Geology and Natural Resources of the Republic of Kazakhstan</p> <p>Kathy Leach – Her Majesty’s Ambassador to the Republic of Kazakhstan <i>Speech topic: Towards a sustainable Mining Future: ESG Pactises and Decarbonisation Through UK-Kazakhstan Cooperation</i></p> <p>Tulegen Mukhanov – Advisor to the Executive Director of “Republican Association of Mining and Mining and Metallurgical Enterprises” LLC <i>Speech topic: Promoting best global ESG practices in Kazakhstan’s MMCs: experience and prospects</i></p> <p>Ruslan Baimishev – President of Kazakhstan Chamber of Mines and Minerals <i>Speech topic: Investment climate in exploration and mining operations</i></p> <p>Askar Sembini – Advisor to the General Director of ACF ‘PIT’ Tech Garden <i>Speech topic: Green Tech in MMC</i></p> <p>Indu John-Abraham – World Bank Operations Manager for Europe and Central Asia regions</p> <p>Saule Nurmakova – candidate of technical sciences, Associate Professor of the Department of Chemical Processes and Industrial Ecology, Satbayev University <i>Speech topic: International mining principles according to ESG and education</i></p>	<p>14.00–15.00</p>	<p>Altel Business Company Seminar</p> <p>Evgeniy Malyi - Product Owner for Large Business Project Development</p> <p>Nikita Forikov – Technical Director, Platforma</p> <p>Tadej Dragaš – Regional Sales Director, Druid Software Ltd</p> <p>Nestor Komarnytskyi – Technological Practice Leader, Ernst & Young</p> <p><i>Speech topic: Digitalization of Industrial Enterprises Based on Wireless Communication Networks</i></p>
<p>13.30–15.00</p>	<p style="text-align: center;">Panel Case Session</p> <p>Cyber Resilience and Cyber Threat: human as a key element</p> <p>Cases</p> <ol style="list-style-type: none"> 1. Data centres and UPS in unfavourable operating conditions 2. Blue collars as an increased risk area in social engineering 3. Kazakhstan solutions for industry: practical experience 4. Analysis of technological signals in SCADA traffic <p>Panel discussion:</p>	<p>15.00–16.00</p>	<p>DNA-Blast MSK LLC Company Seminar</p> <p>Olga Valentinovna Stagurova – Commercial Director</p> <p><i>Speech topic: Blast modelling simulation for ore grade control and fragmentation</i></p>

	<ul style="list-style-type: none"> • How does the industry leak data? Chronology and industry examples • Supply chain security: How to make your standards market standards • Staffing standard: how to combine internal resources and market services in one landscape • Is it possible to respond to cyber attacks with data from the business and the industry as a whole, not just from the IT infrastructure? • The role of the state and real help from the legislative/executive branch of government <p>Moderator: Evgeny Pitolin – Independent Expert in Cyber Security, IT-technology and communications</p> <p>Speakers: Alexander Grevtsev – Independent International Expert Iskander Iklas – Head of Security Analysis, Center for Analysis and Investigation of Cyber Attacks Nestor Komarnitsky – Head of Technology Consulting and Practice, Ernst and Young</p>		
<p>15.30–16.30</p> 	<p align="center">AMM Tech <i>in partnership with AMM Congress</i> “Technologies. Innovations. Solutions”</p>	<p>16.00–18.00</p>	<p>Rikaz Company Seminar</p> <p>Patrick Schnider and Vadim Shostik – Lead Specialists in the GEO Division at LEISTER Technologies AG <i>Speech topic: Modern Geomembrane Welding Technologies: Leister Equipment</i></p>
<p>15.30–15.45</p>	<p>Weir Minerals Alexander Solomennikov – Regional HPGR and VSM Manager for Weir Minerals Middle East, Turkey and Central Asia</p> <p><i>Speech topic: WEIR sustainable solutions for mining</i></p>		<p>Oliver Hinca – Spark Tester Expert at Elis Technologies <i>Speech topic: Modern Methods for Weld Seam Inspection: The Role of Spark Testers</i></p>
<p>15.45–16.00</p>	<p>Metso Vladislav Kolesnichenko – Head of Technical Sales Support, Dewatering</p> <p><i>Speech topic: Metso solutions for dry tailings management</i></p>		
<p>16.00–16.15</p>	<p>NOVOMEK</p>		

	Maxim Novikov – Head of New Products Division, Automation Department <i>Speech topic: Efficient solution for increasing the recovery of a useful component from ore using Smart Ion system</i>		
16.15–16.30	Nartas Marsel Nabiulin – Director for Development of Drilling and Blasting Technologies, Nartas LLP <i>Speech topic: Modern technological solutions aimed at reducing losses and dilution of minerals</i>		

18 September

MAIN CONFERENCE HALL Pavilion 9, 2nd Floor, 9-5/1		SEMINARS ROOM Main Entrance, Pavilion 11, 11-159	
10.30–11.30	Panel discussion Financial instruments and leasing: promoting Kazakhstan content in MMCs Discussion Questions <ul style="list-style-type: none"> • The role of public and private organisations in supporting Kazakhstan content through financial instruments • Interaction between public and private organisations to achieve common goals in MMCs • Innovative financial products and leasing solutions to enhance Kazakhstan content Confirmed Speakers: Turar Zholmagambetov – Deputy Chairman of the Industrial Development Committee of Industry of the Ministry of Industry and Construction of the Republic of Kazakhstan Murat Kaymbaev – Deputy Director of the Almaty Regional Branch of Damu JSC <i>Speech topic: State support of business entities, on the instruments of subsidizing part of the interest rate and partial guaranteeing of loans</i> Andy Colquhoun – Business Development Director at Dints	11.00–12.00	Glencore Technology Company Seminar Dr. Gabor Csicsovski - Principal metallurgist <i>Topic: Increase Capacity and Recovery with Jameson Cell</i> <i>At this presentation you will learn:</i> <ul style="list-style-type: none"> • How the Jameson Cell works to increase your capacity and recovery • The effectiveness of the flotation kinetics inside the Jameson Cell downcomers • Jameson Cell case studies on brownfield expansions
		12.00–13.00	Magotteaux Company Seminar Dr. Christopher Greet - FAusIMM CP(Met), Manager Mineral Processing Research, Adjunct Associate Research Professor (University of South Australia) <i>Topic: The Impact of Grinding Chemistry on Beneficiation Processes</i>

Speech topic: Procurement finance in the mining sector

Vasily Fischev – Shareholder of BMH GROUP, Development Director
Speech topic: Project financing for the mining industry

12.00–14.00

Seminar

Procurement of Goods, Works, Services of Samruk-Kazyna JSC and its subsidiaries. Innovations in procurement activities in 2024

Speaker:

Nataliya Khudaibergenova (Romanova) – Expert Practitioner on regulated procurement in the Republic of Kazakhstan

Speech points:

- How subsoil users in the Republic of Kazakhstan procure goods, works or services;
- Peculiarities of conducting procedures of subsoil users included in Samruk Kazyna JSC;
- Law on procurement in the quasi-public sector and the procedure of procurement by the companies included in Samruk-Kazyna JSC;
- Participation of potential suppliers in tenders and submission of documents to the electronic procurement information system <https://zakup.sk.kz/>.

13.00–14.00

Metso Company Seminar

Michael Kemmerich – Senior Product Manager, Metals, Sulphuric Acid Product Group

Topic: Modern Metso Gas Cleaning and Sulphuric Acid Technologies for Cu-production and fertiliser industry

14.00–15.00

Russian Mining Association celebrates 25 years

Moderator:

Natalia Matvievskaia – Deputy Director of the “Mining Industry” magazine

Speakers:

Association “NP ”Russian Mining Industry Association”

Alexander Vladimirovich Antropov – First Deputy Executive Director

NPO RIVS JSC

Ivan Nikolayevich Kosov – Sales Director

Kurgan Machine-Building Plant of Conveyor Equipment JSC

Roman Alexandrovich Bryutov – General Director

JSC “VERATEK”

Alexey Olegovich Solovyov – Commercial Director

			Awarding commemorative badges “Russian Mining Industry Workers - 25 years” to honoured mining workers
14.30–16.30 	Kazakhstan Chamber of Mines Panel Session Session 1: Legal framework affecting investments in subsoil use in Kazakhstan Session 2: Geological and Environmental Aspects Influencing Investment Decisions Session 3: Role of the Kazakhstan Chamber of Mines in the mining industry and its importance	15.00–17.00	ISB Industries Seminar Giuseppe Verneti - CEO <i>Topic: ISB Central Asia: new milestone in ISB development in Central Asia</i>
