

14th Kazakhstan International Exhibition
"Security, Fire Protection, Information
Technologies, Communication, and Drones"
SECUREX KAZAKHSTAN / ITS / Dronex 2026

**The key exhibition on security,
IT, and drones in Central Asia!**

21 | 22 | 23
OCTOBER
2026

Almaty, Kazakhstan

Almaty, Kazakhstan — the heart of Central Asia
and a dynamic hub of innovation where the best
solutions are born and implemented!

The main event for industry professionals!

- Discover the latest innovations, technologies, and trends in security
- Connect with leading companies and industry experts
- Explore new business opportunities and partnerships

What's new?

- ✓ In 2025, we introduced DronEx – the region's first dedicated exhibition for drone and anti-drone systems – and hosted the Multi-Drone Championship with an exciting prize fund!
- ✓ And what's coming in 2026?
A major International Security Forum is planned, bringing together leading specialists and industry leaders!
